

M*O*S*H

M*O*S*H is a hard rock band hailing from the town of Bismarck, ND. The band consists of, Jermey James on lead vocals, Alan aka DVS Drummer on the drums, Craig aka CRAIG on lead guitar and backing vocals, Captain Sugar Free on rhythm guitar, and James on bass guitars. The band got together around 2007 after coming from different bands. Jermey James and Captain Sugar Free played together in a nameless band (mostly just wanabes). After a few line up changes they discovered DVS and asked him to join. His quick sticks, hard hitting style and mad beat skills were a perfect addition to the band. Shortly after getting DVS on board, and after craig aka GRAIG parted ways with another band, we snatched him up. DVS and CRAIG also played in other bands. DVS played in Cope. Graig played in Dry. M*O*S*H started to work on covers and then we discovered Josh, who jumped on board to fill in the vacant bass position. Many practices followed and soon after we played our first show with the local bands Reeving and The Band Formerly Known as Magumbo. A while after the show we parted ways with Josh, giving him the opportunity to pursue music more in his style. We wish him the best of luck in his future endeavours. We tried a couple of bass players out and met a couple of great guys! Then came James, a bass player for our friends DVSU, said he was interested in playing for us!! FINALLY the fifth member is locked in place and we will be ready to ROCK very soon!!! M*O*S*H plays music rooted in the current rock/hard rock genre. We decided to pursue a different route. Covers include songs from the bands Breaking Benjamin, Deftones, Chevelle, Bloodhound Gang, Godsmack, KoRn, Limp Bizkit, Sevendust, 311, BlackSabbath, Five

Finger Death Punch, Seether, Metallica, Tool, A Perfect Circle, Toadies, Kansas, Johnny Cash, Bullet For My Valentine, Drowning Pool, Nonpoint, System of a down, Beatles, Manson, James Brown, Pearljam, Three days grace, White Zombie, and almost everything in between. We love to add a metal twist to any sweet song!!! We are also currently working on original material. We appreciated everyone coming out for the first show at the VFW (extra thanks to our brother Scary for the tech work on CSF many, many guitar changes! You are part of the team bro!!!) and look forward to seeing you all again very soon!!!
