

Split Lickity

A Band Of Goofballs Roaming The High Plains Countryside In the not so distant past a group of oddball musical misfits ran into each other at a local pub name '**Our Place Tavern**'. It was then our rag tag group stumbled into the land of **Split Lickity**, the rest is history evolving at break neck speed. Just like the "A team" - I love it when a plan comes together! A band is born - everyone in the band brings to the table ample experience playing and gigging, check out the band member pages to see what type of hooliganism they have been up to in the past. **Split Lickity** lives to please the crowd, whether it's **DJ's** pyro/light show, **Bobs** "interactive" crowd skills, or **Jimmy's** "unplugged" dance floor moves! While the whole time **Greg** lays down the phat and nasty groove as a blank canvas for their musical antics. **Split Lickity** shows are an interactive crowd participation experience like no other. Check out our schedule and come on out to see us for a show you will not soon forget!
